

# NEWS FROM SHILOH

January 2011 Volume 2, Issue 1

## Time, Talent, and Interest

“Stewardship” is one of those words that we don’t really like to talk about. Most of the time, when we discuss “stewardship,” we are talking about how much money to give to the work of the church, but stewardship is about much more than just what we do with our money. All that we have and all that we are comes from God, and so stewardship is about how we use all of our resources: time, talents, money, etc. Stewardship is nothing more and nothing less than faithful use of these gifts of God.

A “Time, Talent, and Interest” form has been developed and will be available at Shiloh and at [www.shilohcp.org](http://www.shilohcp.org). We ask that each family member prayerfully consider how they might use the gifts God

has given them.

If you need a copy mailed to you, let Bro. Eric know.

When finished, please return the form to Bro. Eric.

Some of us have more money than others to give, and some of us have more time than others to give, but all of us have gifts to use for the kingdom of God. There are many areas in the life of the church where you can use these gifts. The “Time, Talent, and Interest” form can help match up your gifts with the needs of the church.

## Phone Calls

During the December session meeting, I reported on a service that would make automated calls to the members and regular visitors of Shiloh when we must cancel services due to inclement weather. We didn’t know that we would need to put it into use the next Sunday! Other than a few numbers that I goofed and didn’t input (sorry!), it seems to have called everyone. Here’s the number(s) the system is set up to call for you: **{none}**. If you would like a different number (s) used (or if there is no number for you), please contact me. We will also begin using this system for information of interest to the Shiloh community (such as notices of births, deaths, illness, etc.), so please notify me with such information so that we can spread the word.

Also, please note that these calls will come from **(731) 393-9372**. This is a special number that I have set up. Please update your phone book and use this number whenever you want to contact me. If you call that number (which is a local call from McKenzie), it will ring both my home phone and cell phone. This gives you the best chance of reaching me. Please use that number for text messages, as well. Thanks!

—Bro. Eric
